NOTES:

- French and Français are not the same course and are not interchangeable.
- A course cannot be repeated after a higher-level course has been taken in the same series
- Average marks are not rounded up when calculating eligibility for scholarships.
- The value of the scholarship is calculated on the overall average in five designated courses in each grade level.
- Courses listed in the "Coursework in Alberta Accredited Schools" section and the "Private Music Study" section of an official Alberta Transcript of High School Achievement are acceptable (excludes Driver's Education):
- Only marks obtained before the start of post-secondary study can be used.
- Courses with a 'Pass' on a high school transcript are equivalent to a 50% mark.
- CALM course can be taken in any grade, but the final mark will be calculated in Grade 11.

Career and Technology Studies (CTS) Courses

Grade 10 and Grade 11:

- Three, one-credit CTS modules can be combined and used as an option at the Grade 10 and Grade 1 level, or
- Two groups of three one-credit CTS modules can be combined.

Grade 12 as of April 2006:

- Five, one-credit CTS modules can be combined and used as an option, or;
- One three-credit option course plus two one-credit CTS modules can be combined

To be combined:

- All courses must be from the same level, e.g. Introductory, Intermediate or Advanced, and
- Courses can be from different subject areas, e.g. computer courses with welding courses, and
- Marks will be calculated and the total average combined will be used for Grades 10-12
